Crafted with the highest attention to detail, this high-end collection features a timeless two-piece toilet and matching pedestal sink that exudes elegance and sophistication. Enhance the luxurious ambiance with the upcoming matching vessel sink. Upgrade your bathroom and create a space fit for royalty with the Castlefield Collection.

HOLT COLLECTION

avenue

The Holt collection features two undermount sinks, Oval and Rectangular. Both sinks are designed with a sleek and modern look that will complement any bathroom design. Their high-quality construction ensures that they are built to last and withstand daily use. With the Holt collection, you can enhance the overall look and feel of your bathroom with premium fixtures that provide both style and functionality.

MASSA

avenue

ITL-5001-EW

On the edge of a new horizon, the Massa Intelligent Toilet presents unparalleled comfort and modernistic performance. Equipped with adjustable water and seat temperatures, ultra-efficient filtered water purification, automated UV sterilization and a conveniently placed LED night light. It administers a gentle bidet posterior wash, a powerful cyclone siphon flush, and a pleasantly comforting air-drying experience. The Massa – with its eye-catching sleek and elegant contours – is the blueprint in modern beauty, comfort, and performance.

MELROSE COLLECTION

avenue

The Melrose Rectangular Undermount Sink is a versatile trough-style sink that fits seamlessly into any modern or traditional bathroom designs. Transform your daily routine into a luxurious experience with our innovative product that will elevate your bathroom to the next level.
